I say we need to try
rather!

And you will never be able
to get any job in the
industry

You... you are ?
Seriously ?!

Ugh! Don't make me
laugh.

Because you didn't want
to use me, right?

I guess... The reason you
kept a distance from me
was

Eh?

Huh?

It doesn't seem like she found out that you are a guy. Which is good news
Because things will go out of control if she finds out that you are a guy.

For some reason, she simply ran away, but it is likely that she knows
I am going to talk to Hye-Ri now. You pack your things and wait for me at the student council building.

Ji Na-Young...

We need to talk

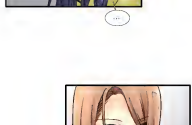
... is why I've been looking into the corruptions.

Cha Jin-Suk came to the school in middle of that.

You... may not believe me but she found out about you only toady.

...

I haven't told her so that she wouldn't be distracted



I am sorry but what I am going to do soon... is going to hurt you a lot

I must do this

And even if you or Park Yun tell the others about this, I am not going to stop.

I won't say anything.

And Park Yun won't say anything, either probably

Shouldn't we let others know this ASAP ?

From what I've read, Ji Na-Young has a part in this as well

You don't like her also, do you ?

Who should I tell first ~ ?

This is going to keep me interested for a while ~

You won't say anything

Are you ordering me? Yeah, right ~ Are you working with Cha Jin-Suk or something ?

Anyway, I am not going to shut my mouth about it

If you don't want to get involved. Fine. It doesn't matter to me.

You...

So know the gossip about the chairman's daughter attending this school

Yeah. Why are you bringing that up ?

I hear Ji Na-Young may be the daughter

Which has been why no one has bothered to

Wait a second.

Han Hye-Ri... are you saying that

I hear you've been actively attending numerous auditions
